

Capital City Vintage Car Club

Description:

Welcome to our website! Since 1983 the Capital City Vintage Car Club of Olympia, WA has been an active chapter of the national Veteran Motor Car Club of America, where the cars are the veterans, not the drivers. This organization encourages the preservation, restoration, and use of antique automobiles, that being any make or model 25 years or older.

We are a touring club that enjoys the highways, byways, back roads, and most any other reason to get out and drive these great old cars. A monthly meeting ensures a gathering of club members to plan events as well as share knowledge and experiences.

Whether we plan a day tour, an overnigher, or just to meet at a fun destination we hit the road with a deep appreciation for classic cars and the roads that lead us to interesting places and people. If you are not already a member you should click on our membership page for more information and consider joining us!
