

Cassidy Tire and Service

Description:

Cassidy Tire and Service is part of the fabric of 15 Chicagoland neighborhoods because we know that staying in business takes more than providing a service or product in exchange for our customer's hard-earned money. It's about doing your best for each customer, whether it's a Fortune 500 commercial account, or a young father who has to squeeze a tight budget to get his car back on the road.

As a family, and as a family business, we've been blessed to be able to do what we love in a city and surrounding area that we've called home for generations.

We're Chicagoland's largest independent tire dealer. We've remained independent from national chains. Consumers need choice.

When you walk into any Cassidy location, you can count on over 97 years of valuable experience. National chains come and go, but Cassidy has been rooted firmly in the area.

We leave the high-pressure sales to the other guys. You can trust us to give you the best information about your car, leaving you in a solid position to make the right choices. You will never feel intimidated and uneasy at Cassidy.
