We have one of the largest moving truck rental fleets in Chicago, which helps us meet the demand for high quality moving vehicles. Additionally, we offer guaranteed reservations. Call today or reserve your moving truck online.

### **Moving Boxes and Supplies**

Need moving supplies? Elite Truck Rentals offers cheap moving boxes and moving equipment to help your move go smoothly. This includes furniture pads, rope, dollies, and moving boxes of all sizes. For more information about the moving equipment and supplies we offer, visit our moving supplies page.

### **Penske Truck Rentals for One-Way Moves**

Chicago is a big place, which means that many people move from one area in Chicagoland to another. However, we also offer one-way moving trucks through our partnership with Penske. Pick up a Penske truck at our location and take it wherever you need to go. When you're done with your move, find the nearest Penske truck rental location and simply drop off the truck and you're done.
