

Adler Planetarium

Description:

Whether you have a full day or just an hour or two, we have admission passes to fit your interests. Take in immersive sky shows in our three full-sized theaters including the Definiti Theater, the recently renovated Samuel C. Johnson Family Star Theater, and the Grainger Sky Theaterâ€“Adler's most technologically advanced theater.

From daily programs, to exhibitions, and special lectures, we are happy to connect you to all the information you need to plan your visit today.
