

## **Truck and Auto Elegance**

### Description:

Truck and Auto Elegance was originally established in 1986 at the Waukesha, Wisconsin location as Auto Elegance. In 2005 the name was changed to Truck and Auto Elegance, to reflect the changing market the business was serving. Truck and Auto Elegance has many loyal customers who return for additional services and refer us to others seeking the services we provide. Superior customer service is what sets Truck & Auto Elegance apart from the competition.

Originally established as simply Auto Elegance in 1986, Truck & Auto Elegance expanded its name and service offerings in 2005. Located in Southeast Wisconsin, we are your trusted truck and auto image experts. As your needs and interests have changed over the years, we have remained dedicated to providing the most up to date accessories, enhancement options, and service techniques. It is because of you, our loyal customers that we respected and well recognized as the industry leader for superior customer service. If you have not yet been to our Waukesha location, visit us today and find out for yourself what it means when we say, "You<sup>TM</sup>ve come to the right place".
