

Quinn Auto Body

Description:

Has your car been dented, scratched, crumpled or smashed in a fender-bender or major accident? Are you embarrassed driving around in your dented, rust-damaged vehicle? Whatever cosmetic defects your car may have, the expert auto body technicians at Quinn Auto Body have the expertise and knowledge necessary to turn it back into a blemish-free beauty quickly and affordably. We have been serving the Southeastern Wisconsin area since 1978, and ever since then, we have been compiling a long list of satisfied customers that come to us time and time again to eliminate their vehicles'™ imperfections.
