

Forest Tire Center Inc.

Description:

Forest Tire Center is southeastern Wisconsin's leader in custom wheels and tires. Located in the Greenfield suburb of Milwaukee, Forest Tire is easily accessible from all areas of Milwaukee and Waukesha county.

With a huge on site inventory, Forest Tire can fit any passenger car, light truck, SUV, CUV, or high performance vehicle with several choices of new tires and wheels.

If you are looking for replacement stock wheels, off road wheels, chrome wheels, wire wheels, or black wheels, our showroom has over 300 on display for you to see in person.

We have a well-trained team specializing in sales and installation of all passenger and light truck wheels and tires.

Forest Tire also offers nitrogen inflation, tire repairs, and used tires in most sizes. Our web site will allow you to browse our vast selection of tires and wheels. Our team of sales professionals are waiting to answer any question you may have.
