

Hamilton Auto, LLC

Description:

At Hamilton Auto LLC we pride ourselves in giving our customers an honest assessment and a fair price. We know that our customers are tasked with trying to sift through countless service shops, without the benefit of understanding what is really going on with their vehicle or how to fix it, much less, what a fair price would be.

Our work is always done with integrity so that the problems are addressed for a price that is reasonable and fair. In many cases, we charge less than half the price of the labor rate at nearby shops.

Whether your vehicle is due for an oil change or if it needs major repairs, Hamilton Auto LLC is qualified to handle it all.

We are an ASE certified repair shop and will address all of your auto and truck maintenance, service and repairs. We get to know our customers by name, and work with them to keep their cars and trucks on the road as long as possible.
