

Triumph Sports Car Club of San Diego

Description:

The original club was conceived by several racing enthusiasts in early 1963 and, on July 12 of that year, filed with the State of California as a non-profit corporation. The club had seven members. The club survived for 15 years, with as many as 50 members during its peak. The club was a member of the Sports Car Club of America for several years and during its most active period conducted regular monthly meetings, rallyes, picnics, car shows, concours, slaloms, hill climbs, brunches, and social events.

The club progressed through the years until 1978 when the membership was so low (5 members) that the club was disbanded when the treasurer closed out the club bank account and disappeared with the funds.

All was quiet until November 1979 when the club was re-organized with new officers. President, Vice-President, and Secretary along with four other members gave a grand total of seven.
