

Mountaineer Thermo King

Description:

Since 1938, Thermo King has manufactured the most dependable and durable refrigeration and heating units on the market. Thermo King Central Carolinas provides new and pre-owned temperature control units for trucks, trailers, rail cars, buses, ocean-going containers, and innovative products such as the TriPac APU. We also offer trailer rentals.

We offer an expanded aftermarket parts line including Thermo King, J Bar A/C, Bluetree Systems, Ingersoll Rand, Red Dot, Phoenix Global, from compressors to engine parts that will help you meet increasingly restrictive regulations by C.A.R.B., both for operations and equipment. We employ five people in the sales area. We sell high quality Thermo King parts for Carrier. Our inventory is in excess of \$3.1 million in units and parts.

Our service department employs 30 service personnel; qualified technicians who install only genuine Thermo King parts with service available 24 hours a day. Our Thermo Gard service programs keep you running at maximum capacity, and our Mobile "Uptime" service trucks bring service to you, the customer. We have to serve our customers technical needs.

We have four locations: Charlotte, NC; Greensboro, NC; Roanoke, VA; and Charleston, WV. There is 24,000 square feet in Charlotte, 10,000 square feet in Greensboro, 14,400 square feet in Roanoke, and 5,000 square feet in Charleston. All are conveniently located adjacent to major interstates—view our maps for more information.

Contact us today to learn more about what we can do for you. You can count on Thermo King Central Carolinas to deliver only the best in products and service, EVERY TIME.
