

Maaco Collision Repair & Auto Painting

Description:

Accident damage and the wear and tear that come with age can be fixed by a reliable auto body shop in Saint Albans, WV. Here at Maaco Collision Repair & Auto Painting, we'll handle everything from the mysterious scratch that appeared on your front fender to major body damage after an accident. We offer cost-effective dent repairs and three different painting packages. Our locally owned and operated company is part of a national brand that's repaired more than 20 million cars since 1972. You'll appreciate our nationwide warranty, and we offer a lifetime guarantee on structural repairs. We strive to provide our clients with great service, premium work, and low rates. We also work with major insurance carriers in case you have a claim. Give our friendly staff a call to schedule your appointment and let us turn the car you drive back into the car you love. Maaco Collision Repair & Auto Painting is America's #1 body shop, and we hope that you'll trust us with your car repairs.
