

English Motoring Club of Mississippi

Description:

The main focus of the English Motoring Club of Mississippi is the enjoyment and preservation of our fine British vehicles. We host numerous tech sessions, tours, social gatherings, and the MSEM's annual Brits By The River British Car Show. We also enjoy getting together socially and sharing tips and trivia.

All British car enthusiasts are welcome - in fact, you don't have to own one to join the EMC. You can enjoy the club camaraderie and events, without the trials and tribulations of ownership!

The club was organized about 20 years ago as a chapter of the Vintage Triumph Register, a national organization based in Michigan. Over the years our interests expanded to other Brit vehicles, so we changed our admissions policy so all marques manufactured in England would be represented.
