

## **Clearview Auto Glass & Repair**

### **Description:**

We Fix Glass on Vehicles of all Makes, Models, Sizes and Ages

Whether you drive a 2010 Nissan, a 1989 Ford, or a heavy-duty semi-truck, Clearview Auto Glass Repair can repair or replace any glass surface in your vehicle. We'll tell you more: you get free estimates, same-day service and an option to have our techs perform repairs at your location throughout Baltimore, Maryland and the surrounding area.

Auto glass is our specialty, so you can expect attention to detail, quality work and professionalism from our team. Damaged glass is a big inconvenience, but it's also a driving hazard, because chips and cracks reduce your field of vision and can potentially cause the entire window to collapse.
