

Weevil City Cruisers

Description:

Car and truck club for the wiregrass region of Alabama. All years and makes are welcome. One of our club's goal is to make the city of Enterprise a better place to live and raise a family. We have given to the community in a variety of ways. One of our main projects is the Brown Bag Program, through which we purchase food for nine individuals for one year. This proved to be so rewarding to us that we continue to support this each year.
