

Metropolitan Pit Stop

Description:

We maintain a complete inventory of all 14,726 parts that Nash, Hudson and AMC Metropolitans are made of and ship parts out every day to places all over the world. Everything is in stock at all times so you never have to wait for back-ordered items. Be confident our parts put inside / outside / underneath a Met will fit + look + work right and are safe and reliable.

Metropolitans are brought to us from all over the United States to obtain an extraordinary restoration. Every Metropolitan we take in is treated with expert care. Whether the desired result is to be an award-winner, a stunning pleasure vehicle or good-looking daily driver, every Metropolitan is restored with meticulous attention to detail.

Many customers bring their Metropolitans to us for repairs as well as for routine maintenance. Our technicians are Metropolitan specialists and all parts are in stock, so repairs proceed quickly and efficiently.
