Description:

Founded in 1991, So-Cal Galaxies is a Southern California based car club for 1959-1974 fullsize Fords & Mercurys. We have a variety of cars in various conditions in our club that range from restoration projects all the way to completely finished cars.

Our club attends car shows, road rallies, tours, cruises, and much more to keep us involved throughout the year. We hold a annual car show once a year known as the "So-Cal Galaxies All Ford Show" previously known as the "Great Galaxie Gathering." Please take time and check out what our web site has to offer and please sign our guestbook.
