

Longhorn Corvette Club

Description:

The Longhorn Corvette Club (LCC) was chartered in the summer of 1973 by a group of Corvette enthusiasts who were interested in enjoying their Corvettes through automotive activities and meeting other Corvette owners. The first public gathering was at the Gazebo by Town Lake, the starting point for a successful and warmly remembered Hill Country Tour.

The Longhorn Corvette Club is a member of the National Council of Corvette Clubs (NCCC), a national sanctioning body providing insurance, organization, nationally recognized rules and guidelines. Nationally, NCCC has over 15,000 members in approximately 300 Corvette clubs.

The club is involved in community affairs through participation in parades, car shows and local charity programs. In addition, car oriented activities such as autocrosses, drag racing, tours and rallies allow the whole family to participate in a safe, wholesome and fun environment. The Corvetter has an opportunity to drive at nationally known professional tracks, such as Road Atlanta, Texas World Speedway, Hallett, Daytona and Sebring, where you don't have to worry about the speed limit.
