

Jenkins Classic Resto, Inc.

Description:

We are a Family-owned and operated business located in Hendersonville, TN. Whether you enjoy driving a classic car or winning shows, we will customize your dream car to your satisfaction. We specialize in recreating your classic automobile or muscle care to your vision. We perform mild to full restorations on Classic Automobiles, perform engine and mechanical work to speed up your Award Winning Muscle Car, or give you the paint job your pride and joy deserves. Our team works closely with each client to make sure the finished product not only meets the client's functional needs, but also their personal desire. We have an experienced team of technicians that provide professionalism and detailed craftsmanship on all projects. We will provide our clients with a realistic cost projection, written work plan, billing invoices with progress photos attached, time summaries and labor records. If our clients have a request, we will do our very best to meet their needs.

We produce honest and impressive work on every project we start. The client will be walked through every aspect of a mild to total restoration, as if they were there every step of the way. Jenkins Classic Resto offers our clients an understanding of all areas of their projects and encourages face to face updates.

You will always feel welcomed in our shop!!

All of our paint and parts come from the most respected vendors in the Classic Car industries. We are members of the elite Classic Car and Muscle Car Clubs out there and you will probably see us at your local Cruise-in or Car Show. We love Classic Cars as much as you do!!!
