

Owens Valley Cruisers

Description:

The Owens Valley Cruisers is a nonprofit mutual benefit corporation. The purpose of the club is to unite under one body for the purpose of enjoying all aspects of classic auto sports and camaraderie among the members. We would love to have you come to a meeting or one of our events!

The early beginnings of the Owens Valley Cruisers started around 1986 with a group of guys and gals who enjoyed old cars and hot rods who got together on a semi regular basis to cruise and socialize. This went on for several years. Interest within the community grew and in late 1993/early 1994, the Owens Valley Cruisers was formed.

Today there are fifty cruiser families who enjoy getting together, swapping lies, socializing, and going to car shows. If you are interested in having some fun, come join us.
